COOPERATION FRAMEWORK

Terms and Conditions for Provision of Services

Text

Framework Agreement

on SEO Consulting for SEO Agencies & in-House SEO Departments

By navigating on this website and establishing communication using the contact details and methods made available therein, you will consider yourself to be bound by the Terms and Conditions applicable to Provision of Services, as stipulated below, unequivocally, without modification or curtailment of same, while accepting that such Terms and Conditions applicable to Provision of Services shall supersede and override any clause included in or requirement arising from the wording of any and all subsequently signed written agreements you may issue as a condition of Provision of Services to you or the organization you or your colleagues represent.
